Check each product page for other buying options. Alexa Built-in devices let you talk directly to Alexa, allowing you to play music, control your smart home, get news, weather, and more using your voice. [Learn more](#) [Need help?](#)

. When I first tried to power my outdoor speakers with a regular indoor amplifier, I learned a valuable lesson about weather resistance and power requirements the hard way—during a sudden rain shower that nearly ruined my equipment. While we advise purchasing the best speakers you can afford to pair with an Outdoor Speaker Depot amplifier; we also know that good power goes a long way in. If you're looking for a way to enhance your outdoor music listening experience, getting an amplifier for your outdoor speakers can make a significant difference. A good stereo receiver for.
