## Overview

---

Below, we share an expert, people-first review of five leading brands we trust on Canberra roofs— AIKO Solar, Jinko Solar, JA Solar, Trina Solar, and TW Solar (Tongwei) —plus the key factors you should weigh before buying. We focus on criteria that matter in the ACT:. Choosing the right solar panels for a Canberra and NSW home isn't just a brand decision—it's a long-term investment in reliability, energy savings, and roof performance for the next 25+ years. As a local, CEC-accredited installer, Prime Solar Energy has designed and installed thousands of systems. Meta Description: Explore the latest ranking of Canberra's top photovoltaic panel manufacturers. These smart systems offer powerful performance. This means you get the honest information you need before making any decisions about solar panels or solar batteries. Solar experts, not sales sharks.
