

**Espay Solar Energy S.L.**

# **Chad energy storage power station subsidies will be issued in 2025**

## Overview

---

This initiative aims to expand energy access across Africa while supporting Chad's transition to renewable energy. It requires ongoing financial support. nPower Africa is advancing the first independent power producer (IPP) project in Chad, the 32 MW Djermaya Solar PV project, which represents approximately 10% of the country's energy supply. Each kit, valued at \$100, is sold for the equivalent of \$20. org) has approved funding worth EUR 28 million to build solar power plants in Gassi and Lamadji, Chad. The funding includes EUR 20. The African Development Bank (AfDB) has approved EUR 28 million (USD 29).

## Chad energy storage power station subsidies will be issued in 2025
