Overview

Our systems are built to perform in real Irish weather: low winter sun, overcast days, coastal winds, and everything in between. We select panels, inverters, and mounting systems that deliver exceptional performance and durability in our climate, ensuring you get maximum. Properly installed outdoor lighting enhances your property's security and makes outdoor spaces usable long after the sun sets. In the Tri-Valley area, where comfortable evenings invite year-round outdoor living, strategic lighting helps your landscape do more. It can deter unwanted activity, guide. At IDEAL Solar and Electrical, we help homeowners and businesses in Dublin harness clean, renewable energy through expertly installed solar PV systems. Fully insured & SEAI-registered, our team provides years of experience delivering high-quality solar energy solutions for properties. MMK are Dublin Solar Energy Specialists - Safe Electric Certified - SEAI Registered solar PV Installers. We are an Irish business.
