Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

ENERGY STORAGE SYSTEM

Bhutan's Solar Energy Roadmap: A Path to Energy Security

Bhutan unveils its National Solar Energy Roadmap, leveraging solar plants and renewable energy to bolster energy security and achieve self-sufficiency by 2025.

PRESS RELEASE

The project will allow clean energy to be traded across borders, improve access to green power, supplying thousands of households with reliable and affordable energy, and allowing Bhutan ...

Indian Energy Firms Enter Bhutan's Clean Energy Market with ...

PVTIME - Bhutan's renewable energy firm, Druk Green Power Corporation Limited (DGPC), has partnered with India's Carbon Resources Private Limited (CRPL) to explore ...

WORKING PAPER Alternative renewable energy in Bhutan

Findings y Bhutan is endowed with RE (solar, wind, biomass) resources. One of the priorities of the DRE is to have proper rules and regulations in place regarding connections and ...

DGPC Ignites Bhutan's Solar Revolution with New Chapter in Renewable Energy

In a decisive step toward diversifying its energy mix, Bhutan has taken a major step with the launch of a major new solar

initiative by the Druk Green Power Corporation (DGPC). The ...

IPCL Ties Up with Bhutan Firm for 70 MW Solar Project in Paro

India Power Corporation Ltd. (IPCL) has partnered with Bhutan's Green Energy Power to develop a 70 MW solar project in Paro, advancing its plan to build 1.5 GW capacity in Bhutan.

DGPC, Carbon Resources to Develop Up to 250 MW Renewable Projects in Bhutan

Bhutan's renewable energy company Druk Green Power Corporation Limited (DGPC) has entered into a Memorandum of Understanding (MoU) with Kolkata-based Carbon Resources Private ...

A Comprehensive Review of Bhutan's National Energy Policy ...

Bhutan's National Energy Policy 2025 (NEP 2025), released in June 2025 by the Ministry of Energy and Natural Resources

(MoENR), represents a pivotal shift in the country's energy ...
