LONGi launches 'Lighthouse Initiative'

On December 14 last year, the World Economic Forum announced a new batch of "Lighthouse Factories," with the LONGi Jiaxing Base becoming the sole factory in the global ...

Shanghai Climate Week 2025:LONGi Jiaxing Production Base ...

Founded in 2000, LONGi is committed to being the world's leading solar technology company, focusing on customer-driven value creation for full scenario energy transformation.

Longi plans world's largest solar factory in China's Shaanxi province

The expansion project will give it a capability to produce 100 gigawatts of solar wafers and 50GW of solar cells per year, with the plants expected to go into operation in the third quarter of

China's Solar Industry Is Crushing It On Solar Conversion Efficiency

LONGi emerged as an early leader in the global solar industry. In 2020 the startup became the first manufacturer to ship more than 20 gigawatts' worth of solar modules, a feat that

Global Solar Atlas

The Global Solar Atlas provides a summary of solar power potential and solar resources globally. It is provided by the World Bank Group as a free service to governments, developers and the general ...

Shanghai Climate Week 2025:LONGi Jiaxing Production Base ...

By leveraging digital tools to enable low-carbon production, deploying rooftop photovoltaic power stations, procuring green electricity certificates and carbon credits, and ...

The World's Leading Supplier of Solar PV Solutions

LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate

Product Model
 HU-ESS-215A(100KW/215KWh)
 HU-ESS-115A(50KW/115KWh)

Dimensions
 1600*1280*2200mm
 1600*1200*2000mm

Rated Battery Capacity
 215KWH/115KWH

Battery Cooling Method
 Air Cooled/Liquid Cooled

the clean energy transition. By offering high-quality, reliable ...

Longi to Spend USD430 Million on Second Phase of Solar Panel ...

(Yicai Global) Dec. 8 -- Longi Green Energy Technology, the world's largest supplier of monocrystalline silicon wafers, will invest CNY3 billion (USD430 million) to build the second phase of a photovoltaic ...

Recognized by WEF as Global Lighthouse Factory, LONGi Leads ...

Founded in 2000, LONGi is committed to being the world's leading solar technology company, focusing on customer-driven value creation for full scenario energy transformation.

LONGi's James Jin on the innovations and strategies behind solar power

Utilities Middle East sits down with James Jin, President of LONGi Utility, Middle East, Africa, and Central Asia, to discuss

key topics in the solar energy industry.
