

Espay Solar Energy S.L.

Moisture-proof battery cabinet manufacturer

Overview

Durable waterproof sheet metal cabinets for lithium battery and solar storage systems. Customized design, weather protection, CNC cutouts, and fast delivery. Manufactured with Alumaflex®, these heavy-duty enclosures are designed to withstand extreme weather conditions, including wind, rain, snow. KDM is your professional solar battery enclosure manufacturer in China. We will supply the best enclosures for your business, shipping worldwide. Protect your solar batteries with our tested, waterproof enclosures today! KDM solar battery cabinets provide you with the ultimate outdoor dust-tight. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. This place is called a "battery enclosure", or what is. APX Enclosures provides a solution with our line of custom outdoor battery, solar battery bank and metal generator enclosures.
