Moroccan company base station

Overview

BEIRUT and WASHINGTON — Satellite images show Morocco is constructing a new air defense base in Sidi Yahya el- Gharb, which is located northeast of the capital Rabat. In October 1974, we arrived at Mohammed V Airport in Casablanca bound for NCS Sidi Yahia, a small, isolated Cold War-era outpost located about twelve miles inland from Naval Air Station Kenitra (Port Lyautey) in western Morocco. The base, which opened in the mid-1950's, was located just east of the. Discover our strategically located logistics platforms in Fez, Marrakech, Casablanca, and beyond. Nouasseur Air Base

Nouasseur Air Base (IATA: EVX, ICAO: LFOE) near Casablanca in Morocco, was a United States Air Force base from 1951 to 1963. It was designed for B-36 and B-47 bombers but never came into use, and also housed repair units for a period. Today, Nouasseur AB is known as Mohammed V International Airport. It hosts helicopters of the Royal Moroccan Navy.
