Home Energy Storage (Stackble system)

High Efficiency Easy Installation Safe and Reliable Perfect Compatibility

Product Introduction

- 1 Scalable from 10 kWh to 50 kWh
- 2 Self-Consumption Optimization
- 3 Integrated with inverter to avoid the compatibility problem
- 4 LFP battery, safest and long cycle life
- 5 Stackable design, effortless installation
- 6 Capable of High-Powered Emergency Backup and Off-Grid Function

Not so Happy Fabrics

Grrrrr. Later this morning I'm going to have to go to Hobby Lobby to pick up another yard of each of the four fabrics for my Happy Fabrics quilt. After figuring out that I ...

JoAnn's second bankruptcy, probably going out of business

I use Hobby Lobby a lot because it is closer and has a reasonable inventory choice for both my costume work and quilting. But I will be sorry to see JoAnn go away.

Hanging quilts possibly strange idea

I did so last year when I made a few Christmas wall hangings as gifts. I put sleeves on them, slid the dowel through - then tied some red cord on each end to hang it. I got ...

Solar power , AP News

Trump blames renewable energy for rising electricity prices. Experts point elsewhere. Farmers shelled out money for clean energy improvements. Now they worry their rebates won't arrive.

Electrical grids ...

50-50 chance and I blew it

So. The other day I was purchasing from fabric at Hobby Lobby. Two ladies waited in line behind me while I was having the fabric cut. One of them volunteered to fold the fabric ...

We are here to bring you the latest solar news, progress and innovations, and everything else that you need to and want to know about the solar industry.

Solar News , Today's Latest Stories , Reuters

U.S. residential solar companies are preparing for a steep drop in business this year after the expiration of a federal tax credit that helped drive more than a

decade of rapid growth, prompting

Probably a really dumb question,

I like the other fabric too and it also is HobbyLobby, but the swirls are me. I was practicing FMQ. The lighting is causing it to look grayer than it is. Attached Files two ...

Solar Energy News

A lithium ion battery experiment has been completed aboard China's Tiangong space station, focusing on basic electrochemical processes that govern performance and lifetime.

China's giant open-sea solar farm is quietly rewriting its power grid

Far off the coast of Shandong, a new kind of power plant is quietly feeding China's coastal cities. A vast field of solar panels, fixed to steel trusses in shallow water, has become the world

48V 100Ah

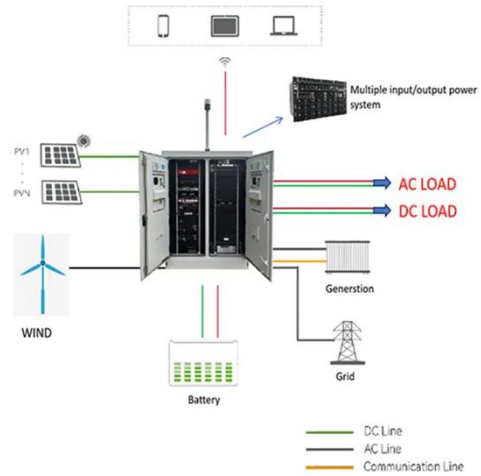

Worth a look see

Hobby Lobby had some clearance fabrics in their quilters cottons. \$2.00 a yard. Just saying.

Solar power News & Latest Pictures From Newsweek

What's Ahead for Clean Power Now That U.S. Policy Has Turned Against It?

squaring up fabic

Re: squaring up fabic It bugs me when shops use scissors to cut fabric rather than a rotary cutter. Hobby Lobby & Wal-Mart do this & Hancock's used to. I've never actually seen ...
