Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white battery storage units on wheels. The left stack is labeled '20 Kwh', the middle '30 Kwh', and the right '50 Kwh'. Each unit has a small digital display and the 'OVO' logo. The background shows a house and a snowy mountain range. The text highlights 'Higer conversion efficiency' and 'CAN/RS485/WIFI/4G Blue tooth communication'. At the bottom, two green boxes state 'Thick shell, well protection for inside cells' and 'BMS customization supported'.

Overview

Ovo Energy is preparing to cut tens of millions of pounds from its budget as part of a radical plan to stabilise its finances and satisfy the energy regulator, Ofgem. The household energy supplier is expected to confirm plans to axe "several hundred" jobs as soon as the middle of next week as it continues talks with regulators and investors, Sky News learns. 7m for failing to deliver government bill support on time Yahoo! UK & Ireland 05:22 Thu, 22 Jan Ovo Energy fined £2. Enter now! . Ovo, which has four million UK energy customers, tells Sky News it has "taken proactive measures" to move towards compliance with rules which have been criticised by larger rival Octopus Energy.
