Overview

Whether you prefer traditional methods like Direct Wire and ACH transfers, the simplicity of using Debit/Credit cards, or the modern ease of digital payments through PayPal, Venmo, or Apple Pay, we have you covered. At Container One, we make it easy to buy a shipping container without large upfront costs. Whether you're looking to finance shipping containers, explore ownership-based shipping container leasing (where ownership transfers on Day 1 and payments are made over a fixed lease-style term), or own. At XCaliber Container, we are proud to offer shipping container financing options that are ever evolving as we continue to research the best options for our valued customers. Explore our current options for financing below, which include options for personal consumers and businesses to finance both. Most containers qualify for RTO except As-Is and Heavily Modified containers. All states are accepted except Minnesota, New Jersey, and Wisconsin. Call us at (888) 977-9085 or choose your rent-to-own payment term on our website - 12, 24, 36, or up to 48 months. Finance directly with us, and remove the stress on your existing bank and credit cards.
