Photovoltaic high pressure panel washing spray gun

Overview

This versatile, 48V rechargeable electric high pressure water gun features a wireless washer that effortlessly cleans solar panels, cars, and bikes. Introducing the revolutionary Solar Panel Cleaning Gun from AARYA SOLAR—your ultimate solution for maintaining peak solar efficiency. Equipped with a. **COMPLETE BRUSH** We provide free main brush, snow/water blade and cotton mop brush for your different use in different scenarios. In winter, the multifunctional snow blade can scrape the snow or ice on the photovoltaic panel easily. But debris from dust, soot and pollen can reduce their output by up to 20%, reducing their efficiency. Extending up to 20-foot, whilst remaining lightweight, this brush allows you to reach roof-mounted panels from the ground with ease. A good choice like the ExtraFein 24FT Telescoping Pressure Washer Extension Wand stood out because of its lightweight aluminum build and.
