

Espay Solar Energy S.L.

The most portable large-capacity mobile power bank

Overview

To find the best power bank out there, I tested more than 60 portable chargers and batteries from big brands like Anker, Belkin, UGreen and Mophie — as well as from smaller players such as Biolite, Nimble and Satechi. We test portable batteries for more than just charging speeds. We put them through the ringer to test durability and all features, like the attached USB-C cables. This little metal brick offers multiple ports, a total power output of up to 250W, and a handy display for tracking how much charge is left. If you need wireless charging or something that can power even appliances, we've got all the best picks for you below. Here are the best ultra-high capacity portable charger options if you plan to use a power bank to keep all your fancy devices powered up.

The most portable large-capacity mobile power bank
