

Overview

NEMA rated outdoor & indoor enclosures designed for harsh weather/rugged conditions within Oil & Gas industry. Withstands oxidation & hazardous chemicals. Oxidation, hazardous chemicals, complex installation, and durability are some of the many elements that must be addressed when selecting a solution for. Strong & Rugged - Stainless Steel Alloys (304 / 316L) - Cabinets Designed for Tough Environments. 100% Factory Tested for Quality using ISO 17025 Equipment. The tall & large heavy duty submersible electrical control cabinets are designed protect. Because ArmorLogix is a platform based company, the possibilities are literally endless - create your own solution using either an Armorlogix weatherproof enclosure, or a power station, such as an ArmorLogix mobile solar cart or trailer, or other solar powered solutions. ArmorLogix's Power Stations. Bartakke designs and manufactures Oil & Gas Enclosures that are heavy-duty built to protect mission-critical electrical and instrumentation systems in these extreme settings. Our solutions include IP66-rated, stainless steel enclosures, flameproof ATEX-certified boxes, and custom-built panels. E-abel's NEMA 4X electrical enclosures are specially built to withstand both aggressive weather and corrosive atmospheres. Ideal for outdoor and washdown applications, the 4X series adds corrosion resistance (via stainless steel or non-metallic materials) on top of NEMA 4-level protection. This. Based on the NEMA protection level as the core classification criteria, it covers various types such as NEMA 3R (outdoor rainwater protection), NEMA 4X (anti-corrosion and waterproof), NEMA 12 (dustproof and oil proof), etc. The cabinet material can be selected from carbon steel, 304 stainless.

Waterproof type of power storage cabinet for oil fields

ArmorLogix: Outdoor NEMA Enclosures & Power Stations

At ArmorLogix, we offer a full line of weatherproof NEMA enclosures, custom-built enclosures, network switches, solar power stations and more. Explore now!

Petrochemical NEMA Enclosures for Oil & Gas Industry

NEMA rated outdoor & indoor enclosures designed for harsh weather/rugged conditions within Oil & Gas industry. Withstands oxidation & hazardous chemicals.
